

*The Ironwoods*

June 17, 2010

Aloha Lynn,

Just a quick note to thank you for all the effort that you put into revising our phone system and the creative solutions that you came up with-----the \$2,000+ savings is also very nice!

I enjoy working with you and your professional and upbeat customer service is the best. I have you on my rolodex as "The Telephone Lady"!

Job well done!

Mahalo,

John C. Henry
