To Whom It May Concern:

We had the pleasure of working with Lynn Novitsky of Lan Communications Inc. to review and modify our telephone system. Lynn was able to review our entire system, recommend changes and guide us through the process which resulted in significant cost savings to our company.

Lynn was very easy to work with. It was obvious she has a good relation with representatives of the third party companies that she had to deal with on our behalf.

We were quite satisfied with the service we were provided.

Sincerely,

*Barry Helle*
